

City of Columbiana

COVID-19 Update | February 5, 2021

The City of Columbiana is practicing the following guidelines in accordance with Ohio Public Health Directives from Ohio Department of Health.

1. There will be no mass gatherings that bring together 10 persons or more.
2. Social distancing is urged. (six feet away.)
3. All City of Columbiana services will continue. The public should expect normal service with the understanding that phone communication is optimal to initiate such service. The City of Columbiana services will continue under the following conditions:
 - a. As of April 9th, 2020 payments may only be done by drive up drop box, bank payments, US mail, or online by visiting the city's website at www.columbianaohio.gov (the online fee is waived until further notice)
 - b. For NEW utility services with the City of Columbiana or for special circumstances regarding payments – call the Utilities Office at 330-482-2173 option 1 to schedule an in-person appointment.
 - c. Columbiana will temporarily cease the in home water meter change out program.
 - d. Columbiana Building permits are available only after scheduling an appointment by calling 330-482-2173 option 2.
 - e. Please do not come to any City department without a prior phone call and appointment until directed otherwise.

City of Columbiana

COVID-19 Update | February 5, 2021

To reduce the length of the Coronavirus Pandemic it is urged that Columbiana residents utilize the following procedures:

- If you have a compromised immune system, you are urged to self-quarantine.
- Wash your hands for 20 seconds with soap and water frequently
- Cover your cough or sneeze into your arm
- Stay at home
- Avoid touching your face
- Avoid hand shaking
- Wear a mask
- Maintain supply of essential medications
- Call family and friends and monitor their health if they are vulnerable.
- Frequently touched surfaces should be cleaned regularly with disinfecting sprays, wipes or common household cleaning products
- Be kind to one another
